President's Message

Welcome to the 2022/2023 bowling season to all our members Life, Active, Social, Honorary or Associate.

We had a very successful season last year when the club was represented in all of the national Champion-of-Champions in one form or the other and our ladies' pairs took out the National Champion-of-Champion Pairs Championship.

With the Winter Bowls now over, I would like to thank Rob Le Quesne for his efforts and patience as a result of a number of events being cancelled due to inclement weather, and to Ian Hadfield for his effort in obtaining sponsorship for these events.

After last season's outstanding success, I hope we will all enjoy our time together and remember to be kind to each other.

I and the Board of the Wanganui Bowling Club, wish good bowling to you all.

'Remember, to keep on keeping on'.

Yours in bowling

President Russell Spence

THE GAME OF BOWLS

Whether competitive or social, is played in an atmosphere of friendship and sociability.

This atmosphere is maintained by a traditional code of behaviour, with its roots in common courtesy not only between opponents, but also between team-mates, club officials, club members and spectators.

PLAYER ETIQUETTE

- 1 *Refrain from unnecessary movement and talking when an opponent is on the mat.*
- 2 *It is both a rule and etiquette that players at the head stand at a minimum distance of two metres behind the jack. Players should also stand two metres behind the mat.*
- 3 *When crossing over between the mat and head to not trespass onto an adjoining rink or cause annoyance to its players.*
- 4 *Do not carry on a running commentary as each bowl makes its way to the head.*
- 5 *Do not grumble, keep quiet, if your opponent gets a good result from a fluke shot.*
- 6 *Keep in mind that the better bowler has the better luck.*
- 7 *Do not say 'Thank you' if your opponent gives the shot away. If you must say anything say 'bad luck'.*
- 8 *If an umpire is called to measure, **ALL** players must leave the head and await the umpire's decision, which is final.*
- 9 *Do not argue with your skip about the shot he/she asks you to play.*
- 10 *Don't make excuses for bad play. Remember your opponent has the same conditions to contend with.*
- 11 *It's a nice gesture to commend a good shot played by a team-mate or opponent.*
- 12 *No head should be broken up until both measurers have agreed to the number of shots conceded.*
- 13 *The deepest principle in human relations is a desire to be appreciated. So never neglect an opportunity to acknowledge a good shot.*
- 14 *Avoid making adverse comments about a member of your team.*
