

Presidents Message

It gives me great pleasure that the NZ Greenkeepers Assn is again involved with providing a greenkeeping diary for all Greenkeepers in New Zealand. The information contained in this diary, in one place, is immense and with all the regulations required for safety and care now, not only the greenkeeper but club members and people watching, this diary is amazing for the information contained with it.

I want to acknowledge the contributions of all our sponsors and sincerely thank them for providing an advert for this diary. This helps keep the costs of providing this essential tool down to a minimum.

Our *Competency and Training Package for Bowls Greenkeeping* has continued to gain momentum as this became exposed to Clubs during conferences. We are working on getting more information into the field to show Clubs and greenkeepers the information contained within each module. Greenkeepers don't have to complete each module within the overall Framework. Talk to your BNZGA Executive member in your region if you are interested in completely some or all the modules.

Thanks also to Prebble Seeds, NZSTI, and Bowls NZ for the enormous contributions all these corporates make to Greenkeeping in New Zealand.

Rob Gibson

President BNZGA
