Kittyhawks National Under 21 Singles

In 2025 we see the Kittyhawk Under 21 Singles once again being played at Naenae bowling Club. The event returns to being played over Easter Weekend this year reverting back to a traditional date for the event. This event has seen many past and present Blackjacks play in this event.

This year we see 32 of the best under 21 players battle it out for the honor of being called a Kittyhawk's Champion. The Kittyhawk's 2025 edition is an open gendered event which allows players of all genders to compete against each other. This is the same format that was used when the event first began in 1992.

The finalists for this years event will receive automatic entries into the 2026 iteration of this event if applicable.
